

Guidelines for Museum Visitors

Welcome to the Hilliard Art Museum - University of Louisiana at Lafayette! We are excited to share our gallery spaces with you, and hope that you enjoy spending time experiencing the arts.

Before your visit to the museum, please take a moment to review these visitor guidelines.

- Masks are required during your time at the museum. If you do not have a mask, we can provide one for you.
- Please respect the social distancing guidelines put in place by the CDC, and remain at least 6 feet apart from your fellow art lovers.
- Hand sanitizer is available for you to use during your time at the museum. Please use the sanitizing stations immediately upon entering the museum, before you begin your visit.
- The museum store is open for shopping, and is sanitized between every guest. Please ask for assistance before handling any item in the store.

The museum is working hard to ensure that you feel safe during your time in our galleries. We have increased the frequency of our facility cleaning, and are sanitizing surfaces between every guest interaction. Our staff is also wearing masks to ensure the safety of everyone.

Thank you for following these guidelines during your time at the museum, and thank you for helping us keep our campus and community safe!
